

Premium Oilfield Technologies new Patriot Gate Valve Seat utilizes our proprietary X7500 elastomer resulting in much higher resistance to abrasives and chemicals. This new seat added to Premium's existing high quality spares kits will reduce the number of rebuilds and lower overall cost of ownership.

BENEFITS

- ◆ Higher tensile strength
- ◆ Higher abrasion resistance
- ◆ Stainless steel rings for corrosion/erosion resistance
- ◆ Increased surface area to strengthen bond of elastomer
- ◆ Bottom plate allows for easier alignment
- ◆ Pressure energized sealing
- ◆ H₂S resistant materials

Size	Product	
	Minor Kit w/ Patriot Seat	Major Kit w/ Patriot Seat
2" x 1-1/2"	501-0070-5	501-0080-5
